

System Council U-4 Negotiation News

August 4, 2017

Volume #1 Number #11

Brothers and Sisters, the System Committee presented a full explanation of our current negotiations status to the System Council U-4 IBEW Delegates during our July 2017 scheduled meeting. The normal order of business conducted included the consideration to terminate or (not) terminate the current contract as a matter of record.

The recommendation from the System Council body was "For Termination". The Local Union Presidents and their elected Delegates will present to the Membership an explanation of "Contract Termination" prior to any vote taking place. Check your designated Local Union Service Center Bulletin Boards for "Notice" information and updates concerning your area.

The special bulletin and / or news bulletin will include the recommendation reached by the System Council U4 Delegates' during the July conference; included, should be the required date and time to call-in your Local Union vote results to the System Council U-4 Recording Secretary.

With injuries being higher during the summer months, the System Committee would like to stress to every Member to stay focused on the task at hand and always keep safety paramount as you prepare for your work day. Keep good safe habits at work as well as home, especially while enjoying time off with the family and loved ones. Avoid the distractions created by news that is released to the field and follow the Negotiation updates as they are posted for your review.
