## MEMBERSHIP VOTES “FOR TERMINATION”

On August 30, 2017, the System Council U-4 received, from all the Local Union’s under its jurisdiction, the results of the recently held Contract Termination vote.

The Committee would like to thank the membership for the strong turnout. The result of the vote was 95% “For Termination” of the contract.

The FPL Director of Labor has been notified of our intent to terminate the current contract. Your vote reinforces a strong message, “that the Membership wants a fair and equitable proposal”.

Your System Committee is scheduled to meet today for ongoing Negotiations.

Your System Committee continues to be committed to work earnestly towards a fair and equitable proposal, one the System Committee can recommend for you to accept.

We ask that you continue to work safe and stay focused on your daily job activities. There is no job that is so important that would require you to work it unsafe.
