

**Memorandum of Understanding
PSL Job Awards
Associate Nuclear Plant Operators (ANPO)**

By mutual agreement Florida Power and Light and the IBEW System Council U-4, agree to award eleven (11) Associate Nuclear Plant Operator positions where ten (10) were originally posted vacant on the July 4, 2023, Job Information Report, Requisition ID #74407. This will allow all eleven (11) of the eligible candidates who were offered the position to attend Non-Licensed Operator Initial training class set to begin on September 25, 2023.
